GARDEN OF EAT'N

We welcome everyone to a new year of gardening. So, we must start with at least one resolution. Eat your vegetables!

Many families were able to eat vegetables because of the Garden of Eat'n. We take these vegetables to Christian Community Action and the Salvation Army. Both organizations do a fantastic job of reaching those in need. A huge thank you to these organizations.

Our church garden may become a project site for the Denton County Master Gardener program. Ginger Ewing and Terika Grogan are enrolled in the master gardener program this year. Join the Lamb of God Gardeners and help them reach their goal.

For additional information, please contact Gary Janke at (682) 502-5548
