**PLANNING A MEETING AT CHURCH? HOLDING A CLASS?** We want to help in every way possible! In order to accommodate the ever-growing needs of the congregation and community, it is required that ALL rooms be reserved with at least a 14-day lead time. Showing up and grabbing an empty room is no longer the approach for using church facilities. The Room Use Request policy and procedure is in place to insure appropriate scheduling for every room in the building and also for the parking lot. It is necessary to complete a ROOM USE REQUEST FORM (available online) and send it to [roomrequest@log.org](mailto:roomrequest@log.org) for scheduling for all events happening at church. All confirmed room reservations are posted on the official church calendar for your use. Please help us serve you in a professional and efficient manner. Now is the time to renew room reservations for the coming year. Use the established procedure and send ALL emails regarding room usage to [roomrequest@log.org](mailto:roomrequest@log.org). (Please do not email Gail DeBenedictis directly asking about room availability.)
